Vancouver, BC – Empire One, Vancouver's Premier Car Club, is pleased to expand its luxury fleet of vehicles with its newest addition, an Aston Martin V8 Vantage Roadster. A sports car for the true enthusiast, the Vantage offers drivers exceptional performance, outstanding agility, and an unforgettable experience.

“Our collection wouldn't be complete without a quintessential roadster, which really brings alive the enjoyment of the open road,” explains Harvey Sanghera, Founder and President of Empire One. “The Aston Martin brand represents what civilized high performance sports cars should be, and I'm proud to be able to offer this spectacular vehicle to our members.”

The Vantage Roadster is powered by Aston Martin's 313 kW (420bhp) 4.7-litre V8, which can reach a top speed of 290 km/h. Other features include a 6-speed auto sportshift and a fully independent wishbone suspension, making this one of Aston Martin's most agile cars on the market.

“Empire One is committed to providing clients with the ability to test drive some of the world's most coveted luxury vehicles, while a third party takes care of the management and maintenance of these cars,” says Sanghera. “We will continue to expand our collection in order to provide our members with a superb driving experience.”

As Western Canada's first and only high-end private car club, Empire One offers car aficionados up to 70 days of unlimited driving of some of the most luxurious and fastest cars available.
