FOR IMMEDIATE RELEASE

Vancouver entrepreneur launches western Canada's first premier car club

Vancouver, BC – Vancouver-based premier car club, Empire One, is proud to announce its official launch, having recently debuted at the **Vancouver International Auto Show, March 29-April 6, 2008, at BC Place Stadium**. Empire One offers an unparalleled experience for car enthusiasts, providing unprecedented access to the world's most coveted vehicles without the costs of ownership.

“At Empire One, our vision is to turn car lovers’ dreams of driving the finest in luxury vehicles into a reality,” says Empire One Founder and President, Harvey Sanghera. “By becoming a member of Empire One’s elite car club, members not only get the chance to drive a selection of the most sought after cars, they also rid themselves of the practical aspects of owning a luxury vehicle. Instead, our members’ only concern is the thrill of driving

For the first time in western Canada, car connoisseurs can sign on to become an Empire One member, giving them up to 70 days of uninhibited driving of the fastest, sleekest, and most luxurious cars available in the world. Already an extremely popular concept in the US and the UK, Empire One is offering British Columbians the chance to join in on the experience.

The program works by offering a combination of points and kilometers to be used towards driving days throughout the year. Dependent on the car’s category and day of the week, members will enjoy anywhere from 55 to 70 days a year of pure, blissful driving. Cars are delivered and picked up at a member’s home or place of work and all insurance, maintenance, and storage costs are taken care of by Empire One.

“The creation of this premier car club is a labour of love,” offers Sanghera. “Inspired by the success of luxury car clubs in my native UK, I wanted to bring the ultimate driving experience coupled with a fantastic vehicle choice to the Canadian market.”

Offering unprecedented access to the finest cars available in the auto industry, Empire One’s prestigious car collection will include:

- Bentley Continental GT Speed
- Ferrari F430 Spyder
- Lamborghini Gallardo Superleggera
- Audi R8
- Porsche 911 Turbo
- Maserati Quattroporte Sport GT
- Maserati Gran Turismo S
- Aston Martin Vantage
- Range Rover Sport Supercharged
- BMW M3
